

## Jace E. Richardson

PHP Developer, Flash Coder, JS Slicer, ASP Newbie  
and Master of the “oh geez, you’re done already?”

---

### *Experience & Competencies*

PHP Development *8-Years* Graphic Design *10-Years* HTML *10-Years* JavaScript *7-Years*  
Usability *5-Years* CSS *3-Years* ASP *1-Month (Basic Template System Framework)*

---

### *Career Objectives*

To work with a company that rewards outstanding achievement while offering the potential for career advancement. To further develop my PHP skills and gain a position that both challenges and interests me while allowing me the flexibility to tele-commute or open an office in my local area.

---

### *Work Experience & Project Information*

**Tech Valley Graphics** - *A Current Contractor* - [www.techvalleygraphics.com](http://www.techvalleygraphics.com) [www.star1015.com](http://www.star1015.com) [www.signproalbany.com](http://www.signproalbany.com)

Project Manager, PHP Developer, Minor Graphic Design, Basic Flash Elements & General Underling

Had experience with setting up multiple e-commerce carts like: osCommerce, ZenCart and did bug fixes & feature additions to Pinnacle Cart. Fielded client phone calls and handled various issues that ran the gamut from billing to technical to ethical.

**Wired Wisdom** - *A Current Contractor* - [www.tracerscorp.com](http://www.tracerscorp.com) [www.jagwearleos.com](http://www.jagwearleos.com) [www.iconxs.ca](http://www.iconxs.ca)

PHP Developer, Minor Graphic Design, Advanced Flash Developer & Creative “Go-To Guy”

Worked as Lead Developer and creative and technical advisor to the project manager. Setup two custom shopping cart systems and integrated PayPal Website Payments Pro API and Moneris Payment API. Setup a one-of-a-kind girls gymnastic suit designer in Flash (we will be updating it again soon). Custom order tracking and work order generation for client’s employees. Setup surveillance products store with custom order management, purchase order system for product distributor and full product shipping / backordering system. Worked with another developer on creating a National Offender Registration system for bail bondsmen to track offenders who have applied for bonds.

**Synapse Digital Media, LLC** - *My Company*

CEO, “The Boss”, Developer, Financier, Accountant, Underling, Slave Driver & Project Manager

Manage and run my own sub-contracting business. Manage multiple other sub-contractors and organize projects to be completed on time and within budget. Worked on projects involving: Video Editing, PHP Development, MySQL, ASP, CSS, HTML, JS, Flash, & DVD Authoring. Sat on the Board of Directors of a local video production company and offered web consulting and development of their corporate site.

---

### *Salary Requirements & References*
